

LAGOON 52 -2015 built

The Lagoon 52 is the latest supreme catamaran model developed as a successor to the famed Lagoon 500. With diamond-shaped vertical bows, bevelled hulls and a Gull-wing bridge deck the Lagoon 52 is perfect for cruising the Greek islands being both quick and manouverable while staying steady in heavy seas.

All cabins have large double beds, en suite facilities and air conditioning with natural lighting via fixed hull windows and deck hatches and portholes for ventilation.
